HOLIDAYS HOMEWORK (JUNE-2019)

PARENTS CORNER

Summer holidays are the time of the year when you get an opportunity to spend maximum time with your child. To beat the summer heat and make these days fun filled we have planned the following interesting activities which will enhance your child's creative abilities.

Here are some activities to help your child to use their time constructively.

1. Holidays are times for fun and frolic. It is time for playing with friends and meeting relatives. Enjoy yourself in various indoor and outdoor activities.

2. Visit their grandparents, enjoy their company, listen to stories from them and cherish their affection.

3. Make a routine of your child to play, revise concepts of all subjects covered till now and watch T.V under your supervision.

4. Encourage your child to cultivate the reading habit because it not only enhances the knowledge acquired but also develops the vocabulary, language skills and improves spellings.

5. Communication skills play a pivotal role in grooming overall personality of the children. Converse with your child preferably in English to help him/her get comfortable with the language. Encourage your child to speak small sentences- e.g. I am feeling hungry/thirsty, I am playing/reading/sitting./watching T.V., Its hot outside, Please give me food/milk/fruit/eraser/pencil etc.

6. Help your ward to become caring human being by developing the following habits:-
    o Giving respect to his/her elders & speaking politely with everyone.
    o Wishing & Welcoming guests.
    o Using four magical words: Please, Sorry, Thank you & Excuse me.
    o No Scribbling on walls.

7. Sensitize your child about the rich culture and heritage by watching different informative channels, children activities channels & educative channels.

8. Kindly guide & help your ward for practice daily in any cursive writing book.

9. Help your child to revise the syllabus completed before summer vacations.

10. Help your child to make a decorative cover for holidays' homework.

11. Encourage your child to do the activities himself/herself under your guidance & observation and appoint a specific time to do homework daily.

12. The summer vacations will be from 24 May to 1July 2019 (both days inclusive) and school will reopen for students on July 2, 2019. The school office remains open during vacations except on gazetted holidays.

13. Help your ward to do the Holidays Home work of all subjects in single note book.

14. Help your ward to do one page handwriting daily (English + Hindi) for 10 days to improve handwriting.

Keep visiting school website www.davfatehabad.in and school android app for latest information and circulars.

The forest conservation act was enacted by the Indian Parliament in 1980. According to its rules, the indiscriminate cutting of trees in forests, is a punishable offence. Many areas in India have been converted into National Parks and Wildlife Sanctuaries to protect the forest cover and the animals that live in the forests. A national park is a reserved land usually declared and owned by the national government . It is a protected from most human developments and pollution. A sactuary is also a reserved area in which birds and animals are protected from hunting. A national park differs from a sanctuary in that no human activity is allowed inside the former , while limited actvities are permitted within the latter. National parks receive more finacial support from the Central Government. The Gir National park in Gujrat is probably the only place in the world where the Asiatic lion is protected so that it can live in its natural surroundings .
